PROCLAMATION.

No. 9. A. D. 1861.

By His Excellency JAMES DOUGLAS, Companion of the Most Honourable Order of the Bath, Governor and Commander-in-Chief of British Columbia and its Dependencies, Vice-Admiral of the same, &c., &c.

WHEREAS, under and by virtue of an Act of Parliament made and passed in the session of Parliament held in the 21st and 22nd years of the Reign of Her Majesty Queen Victoria, entitled "An Act to provide for the Government of British Columbia," and by a Commission under the Great Seal of the United Kingdom of Great Britain and Ireland, I, JAMES DOUGLAS, have been appointed Governor of the said Colony, and have been authorized by Proclamation under the Public Seal of the said Colony, to make laws, institutions, and ordinances for the peace, order, and good government of the same;

And whereas it is expedient to amend and consolidate the laws affecting the settlement of unsurveyed Crown Lands in British Columbia;

Now, therefore, I do hereby declare, proclaim, and enact as follows:

Repeal of former Proclamations.

I. The Proclamation issued by me, under the Public Seal of the said Colony, dated the 4th day of January, 1860, and the Pre-emption Amendment Act 1861, and the Pre-emption Purchase Act, 1861, are hereby repealed.

Purchasers since the 20th June to hold on the ordinary terms of Pre-emption.

II. All purchasers of unsurveyed land in British Columbia, who shall have made their purchases subsequently to the 20th day of June, 1861, and previously to the 27th day of August, 1861, shall hold the land purchased under precisely the same terms and conditions of occupation and improvement as are mentioned in the said Proclamation of the 4th day of January, 1860, with regard to lands pre-empted without purchase.

British subjects, and aliens who shall take the oath of allegiance, may acquire the right to hold land, and to purchase the same when surveyed, on certain conditions.

III. That from and after the date hereof, British subjects and aliens who shall take the Oath of Allegiance to Her Majesty and Her Successors, may acquire the right to hold and purchase in fee simple, unoccupied and unsurveyed and unreserved Crown Lands in British Columbia, not being the site of an existent or proposed Town, or auriferous land available for mining purposes, or an Indian Reserve or Settlement, under the following conditions:

The settler shall enter into possession and record his claim to any quantity not exceeding 160 acres.

IV. The person desiring to acquire any particular plot of land of the character aforesaid shall enter into possession thereof, and shall record his claim to any quantity not exceeding 160 acres thereof, with the Magistrate residing nearest thereto; paying to the said Magistrate the sum of eight shillings for recording such claim.

A holder of land may acquire additional land contiguous to the 160 acres, by paying an instalment of the purchase money.

V. Any person in possession of 160 acres of land as aforesaid, may acquire the right to hold and purchase any further tract of unsurveyed and unoccupied land aforesaid, over and above the quantity of 160 acres aforesaid, and contiguous thereto, upon payment to the nearest Magistrate of the sum of 2s. 1d. per acre for the same, as and by way of instalment of the purchase money to be ultimately paid to the Government upon the survey of the same land.

Proposing purchaser shall hold and record.

VI. Any person so paying such deposit shall enter into possession and record his claim to such last mentioned tract of land, in manner hereinbefore prescribed.

Description of the land, how to be stated.

VII. The claimant shall in all cases give the best possible description of the land to the Magistrate with whom his claim is recorded, together with a rough plan thereof, and identify the plot in question by placing at the corners of the land four posts, and by stating in his description any other land marks of a noticeable character.

Rectangular shape, or as nearly as possible proportion of the lines.

VIII. Every piece of land sought to be acquired under the provisions of this Proclamation, shall, save as hereinafter mentioned, be of a rectangular shape, and the shortest line thereof shall be at least two-thirds the length of the longest line.

Natural boundaries may be adopted in certain cases.

IX. Where the land sought to be acquired is in whole or in part bounded by mountains, rocks, lakes, swamps, or the margin of a river, or by other natural boundaries, then such natural boundaries may be adopted as the boundaries of the land sought to be acquired, and in such case it shall be sufficient for the claimant to show to the satisfaction of the Magistrate that the said form conforms as nearly as circumstances permit to the provisions of this Proclamation.

Lines of adjacent claims may be adopted.

X. If the land sought to be acquired be bounded by a claim, the line of such claim may be adopted by the person so seeking to acquire, notwithstanding any irregularity in such line which may have been occasioned by the adoption of a natural boundary by the claimant of the adjacent claim.

Enclosed spaces may be adopted, notwithstanding any irregularity of shape.

XI. Where a piece of land is partially or entirely enclosed between two or more claims, the claimant may acquire such enclosed piece notwithstanding any irregularity of form, or disproportion in length, of any of the sides.

Boundaries to run as nearly as possible according to the points of the compass.

XII. The boundaries shall run as nearly as possible by the cardinal points of the compass.

Purchase on survey.

XIII. When the Government Survey shall extend to the land claimed, the claimant who has recorded his claim as aforesaid, or his heirs or devisees, or in the case of the grant of a certificate of improvement hereinafter mentioned, the assigns of such claimant shall, if he or they shall have been in continuous occupation of the same land from the date of the record aforesaid, be entitled to purchase the land so acquired, or in respect of which such deposit shall have been paid as aforesaid, at such rate as may for the time being be fixed by the Government of British Columbia, not exceeding the sum of 4s. 2d. per acre.

Certificate of improvement to be issued when improvements have been made to the extent of 10s. per acre.

XIV. When the claimant, his heirs or devisees, shall prove to the nearest Magistrate by the evidence of himself and of third parties, that he or they has or have continued in permanent occupation of the claim from the date of record, and has or have made permanent improvements thereon to the value of 10s. per acre, the said Magistrate shall grant to the said claimant, his heirs or devisees, a certificate of improvement in the Form marked A, in the Schedule hereto.

When Certificate of improvement has been issued the holder may sell or deal with the land.

XV. Upon the grant of the certificate of improvement aforesaid, the person to whom the same is issued may, subject to any unpaid instalments, sell, mortgage, or lease the land in respect of which such certificate has been issued; but no interest in any plot of land acquired in either of the methods aforesaid, shall before payment of the purchase money, be capable of passing to a purchaser, unless the vendor shall have obtained such certificate of improvement as aforesaid.

Conveyance on payment of the purchase money.

XVI. Upon payment of the purchase money a conveyance of the land purchased shall be executed in favour of the purchaser, reserving the precious minerals with a right to enter and work the same in favour of the Crown, its Assignees and Licensees.

Compensation to owner whose land may be taken or injured in certain cases.

XVII. In the event of the Crown, its Assignees or Licensees, availing itself or themselves of the privileges (other than the taking of land required for roads) mentioned in clauses 25 and 26, a reasonable compensation for the land taken, wasted, or damaged shall be paid to the person whose land shall be taken, wasted or damaged as aforesaid, and in case of dispute the same shall be settled by a jury of six men, to be summoned by the nearest Magistrate.

Priority of title.

XVIII. Priority of title shall be obtained by the person who, being in possession, shall first record his claim in manner aforesaid.

Cancellation of claim on permanent cessation of occupation.

XIX. Whenever any person shall permanently cease to occupy land acquired in either of the methods aforesaid, the Magistrate resident nearest to the land in question may, in a summary way, on being satisfied of such permanent cessation, cancel the claim of the person so permanently ceasing to occupy the same and record the claim thereto of any other person satisfying the requisitions aforesaid.

Deposits and improvements forfeited on cancellation.

XX: All deposits paid in respect of such forfeited claims, and all improvements, buildings and erections thereon shall, (subject to the appeal hereinafter mentioned,) on such cancellation, be absolutely forfeited; and such claims, improvements, building and erections shall, subject to the appeal hereinafter mentioned, be open to settlement by any other person.

Appeal.

XXI. The decision of the Magistrate may be appealed by either party to the decision of the Judge of the Supreme Court of Civil Justice of British Columbia.

Security on Appeal.

XXII. Any person desirous of appealing in manner aforesaid, may be required before such appeal be heard, to find such security as may be hereafter pointed out by the Rules or Orders hereinafter directed to be published.

Procedure.

XXIII. The procedure before the Magistrate and Judge respectively, shall be according to such Rules and Orders as shall be published by such Judge with the approbation of the Governor for the time being of British Columbia.

Ejectment or trespass by holder.

XXIV. Whenever a person in occupation at the time of record aforesaid, shall have recorded as aforesaid, and he, his heirs, or (in the case of a certificate of improvement) his assigns, shall have continued in permanent occupation of the same land since the date of such record, he or they may, save as hereinbefore mentioned, bring ejectment, or trespass, against any intruder upon the same land, to the same extent as if he or they were seized of the legal estate in possession in the same land.

Saving of right to search and get gold in favor of free miners.

XXV. Nothing herein contained shall be construed as giving a right to any claimant to exclude free miners from searching for any of the precious minerals or working the same, upon the conditions aforesaid.

Power to Government to re-take land for public purposes.

XXVI. The Government shall notwithstanding any claim, record, or conveyance aforesaid, be entitled to enter and take such portion of the land acquired in either of the methods aforesaid, as may be required for roads, or other public purposes.

Water for mining purposes may be taken.

XXVII. Water privileges and the right of carrying water for mining purposes, may, notwithstanding any claim recorded, be claimed and taken upon, under or over the said land so pre-empted or purchased as aforesaid, by free miners requiring the same, and obtaining a grant, or license from the Gold Commissioner, and paying a compensation for waste or damage to the person whose land may be wasted or damaged by such water privilege or carriage of water, to be ascertained in case of dispute in manner aforesaid.

If new claim taken up the old one is lost.

XXVIII. If any person, being already registered as a claimant, register a claim to any other land not being contiguous thereto, the land so previously claimed shall, *ipso facto* be forfeited, and shall, with all improvements made thereon, be open to settlement by any other person.

Arbitrament of Magistrate.

XXIX. In case any dispute shall arise between persons with regard to any land so acquired as aforesaid, any one of the parties in difference may, before ejectment or action of trespass brought, refer the question in difference to the nearest Magistrate, who is hereby authorized to proceed in a summary way to restore the possession of any land in dispute to the person whom he shall deem entitled to the same, and to abate all intrusions, and award and levy such costs and damages as he may think fit.

**PROCLAMATION.**

By His Excellency JAMES DOUGLAS, Companion of the Most Honourable Order of the Bath, Governor and Commander-in-Chief of British Columbia.

Proclamation having the force of Law in Her Majesty's Colony of British Columbia.

WHEREAS, under and by virtue of an Act of Parliament made and passed in the session of Parliament held in the 21st and 22nd years of the reign of Her Majesty Queen Victoria, intitled "An Act to provide for the Government of British Columbia," and by a Commission under the great Seal of the United Kingdom of Great Britain and Ireland, I, JAMES DOUGLAS, have been appointed Governor of the said Colony, and have been authorized by Proclamation under the Public Seal of the said Colony to make laws, institutions, and ordinances for the peace, order and good Government of the same;

And whereas, it is expedient to afford to aliens desirous of becoming naturalized British subjects, facilities for so doing, and also to afford greater security and facility in the possession and transferring of land, and for quieting of titles transmitted in part or in whole through aliens;

Now therefore, I do hereby declare, proclaim, and enact as follows:

1. Every alien now residing, or who may hereafter come to reside in the said Colony with intent to settle therein, and who shall have actually resided therein, or in the adjacent Colony of Vancouver Island, or partly in the one Colony and partly in the other, for a continuous period of three years, without having been, during any portion of that time, a stated resident in any foreign country out of Her Majesty's dominions, shall be entitled to procure himself to be naturalized in manner hereinafter described.

2. Every alien desirous of becoming so naturalized, shall procure a declaration of residence and character, to be made and subscribed by some British subject in the form marked A, in the schedule hereto. Such alien shall, in the next place, make and subscribe a declaration of residence in the form marked B, in the said schedule hereto, and shall also take the oath of allegiance to Her Majesty and Her Successors, in the form marked C, in the said schedule.

3. Every such declaration and oath may be taken, made and subscribed before any Justice of the Peace, acting in any part of the Colony of British Columbia, or before any person appointed by Her Majesty to be a Judge in British Columbia. Every such declaration and oath shall be forthwith delivered to such alien, with the certificate at the foot thereof, signed by such Justice of the Peace, or by the Registrar of the said Judge, stating the compliance on the part of the said alien with the regulations hereinbefore contained.

4. It shall be lawful for the said alien to present all the said documents, properly subscribed and filled up as aforesaid, in open Court, on the first day of any Assizes or general sittings of the Court of British Columbia, in any place in the said Colony. And all such documents shall be then read aloud in open Court, and it shall be lawful for the said Court, on the last day of the said Assizes or general sittings, to order all the said documents and proceedings to be entered as of record in the said Court. And thereupon such alien shall be admitted and deemed, while within the said Colony of British Columbia, to be thenceforth a British subject to all intents and purposes whatever, and to hold, enjoy and transmit all property, rights and capacities, in the same manner as if born within Her Majesty's dominions.

5. Any woman (not a British subject previously to her marriage) married to a British subject, whether by birth or naturalization, shall be deemed to be a British subject, naturalized as from the date of her marriage, or of her husband's naturalization, whichever event shall last happen.

6. The declarations hereinbefore referred to (the forms whereof are set forth in the schedule hereunto) shall be deemed to be made in accordance with the Act 5 and 6, Wm. IV., c. 62, for the abolition of unnecessary oaths; and any wilful false statement made therein shall be deemed perjury, and shall expose every person making such false statement, or procuring the same to be made, to all the penalties of perjury. And, in addition to all such penalties, it shall be lawful for the said Court, on motion by the prosecutor, on any trial for perjury or subornation of perjury in respect of any such declaration, to declare null and void the naturalization based upon such false declaration; and thereupon all such steps shall be taken as shall be thought fitting by the said Court. Provided nevertheless, that nothing shall affect the rights of any other person, derived under the person whose naturalization is so annulled, unless such other person shall have been cognizant of the perjury at the time of acquiring the right.

7. There shall be paid to the Justice of the Peace before whom such declarations and oath as aforesaid shall be taken and subscribed, the sum of four shillings and no more for each such declaration and for such oath respectively; and by the Registrar of the said Court for reading and recording the said certificate and documents, the sum of six shillings and no more; and for every copy of such documents the same amount as for an office copy of any judgment of the said Court. And all such fees shall be applied as any other fees payable to Justices and Registrars are applicable by law or custom.

8. Every alien shall have the same capacity to take, hold, enjoy, recover, convey and transmit title to lands and real estate of every description, in this Colony, as if he were, at the time of the passing of this Act, a natural born British subject; and no person shall be disturbed in the possession or precluded from the recovery of any lands or real estate in this Colony by

reason only that some person from or through whom he may derive his title was an alien.

9. This Act may be referred to in all legal proceedings as the "Aliens' Act, 1859."

Issued under the Public Seal of the said Colony, at Victoria, this 14th day of May, 1859, in the twenty-second year of Her Majesty's Reign, by me,
